### *Asynchronous Days*

On January 22, 2024, HCPS learned that the Maryland State Department of Education (MSDE) approved our 2023-2024 School Year Virtual Day Instruction Plan, which requested the use of three (3) asynchronous virtual instruction days in the event of inclement weather.

Following the approval of our virtual instruction plan, the next inclement weather day(s) will be utilized as asynchronous virtual learning day(s). When asynchronous virtual instruction is utilized, that information will be released with the inclement weather communications.

At the direction of the Superintendent, all employees will be expected to work and/or be available for work during an identified asynchronous inclement weather day. Employees will remain virtual for their duty day unless given further direction by their supervisor. Here is the link to the staff FAQ with additional details: <https://www.smores.com/3rgmx1>.

This information will be shared with our community TODAY, Friday, January 26, 2024, via Mass Notification communications (call, text, email) and on social media.

Staff, students, and families may visit the [inclement weather page](#) on [hcps.org](https://hcps.org) for more information about virtual learning days, including FAQs, resources for Canvas, and more. This page will be updated regularly with additional information; please check it often during this season.

For easy reference for our entire community, when the school system is utilizing a virtual instruction day, the following graphic will be shared on social media.

**Chromebook Covers**-In the next few weeks, students will be receiving county issued cases for their Chromebooks to help protect the Chromebook from damage. The cases will be put on at school. These cases are to remain on the Chromebook AT ALL TIMES and not removed. Only these county issued cases can be placed on Chromebooks (no personal cases if they were previously purchased). Additional stickers and/or labels may NOT be placed on the cases. Thank you!
